

AUTHOR / FOUNDER

Ori Peretz

Author and founder of Platinum Pegasus Publishing

SHORT BIOGRAPHY

Ori Peretz is the founder of Platinum Pegasus Publishing and the author behind an opening slate spanning ideas and society, epic fantasy and espionage. His current works are The Sovereign Union, Aetherion and The Black Laurel.

EXTENDED BIOGRAPHY

Peretz founded Platinum Pegasus Publishing as an independent house for consequential ideas and imagined worlds. The opening catalogue is intentionally broad: The Sovereign Union examines love, law, covenant and personal sovereignty; Aetherion opens a mythic fantasy cycle built around Resonance and the Gates that sustain its world; and The Black Laurel begins an espionage series centered on legacy, legitimacy and hidden institutions.

CURRENT WORKS

The Sovereign Union

Ideas & Society / first edition in preparation

Aetherion

Epic Fantasy / Book I in development

The Black Laurel

Espionage / series in development

Ideas, worlds and the systems beneath them.

PUBLISHING

Why a small house can give distinct works different visual and editorial identities.

THE SOVEREIGN UNION

Love, legal structure, covenant, autonomy and the difference between commitment and default status.

AETHERION

Mythic worldbuilding, Resonance, the Gates and building a series around escalating discovery.

THE BLACK LAUREL

Legacy, institutional legitimacy, training systems and prestige espionage as a recurring series engine.

PUBLISHER BOILERPLATE

Platinum Pegasus Publishing is an independent publishing house developing consequential ideas and imagined worlds with an emphasis on editorial craft, distinct editions and long-term stewardship.
