Opening slate / 2026 professional edition

Three works. Three distinct conversations.

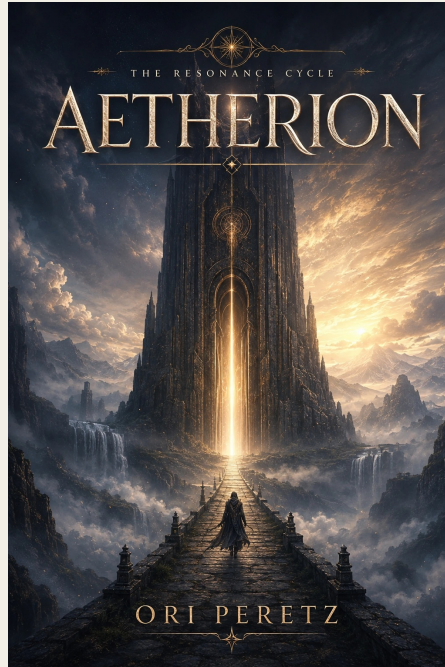

Platinum Pegasus Publishing develops each title as its own editorial object. The current opening slate spans ideas and society, epic fantasy and espionage.

IDEAS & SOCIETY

The Sovereign Union

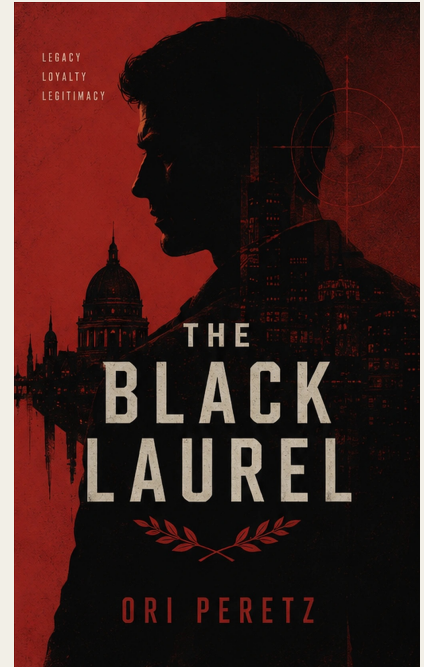

First edition in preparation

EPIC FANTASY

Aetherion

Book I in development

ESPIONAGE

The Black Laurel

Series in development

The Sovereign Union

Love deeply. Choose deliberately.

STATUS

First edition in preparation

POSITIONING

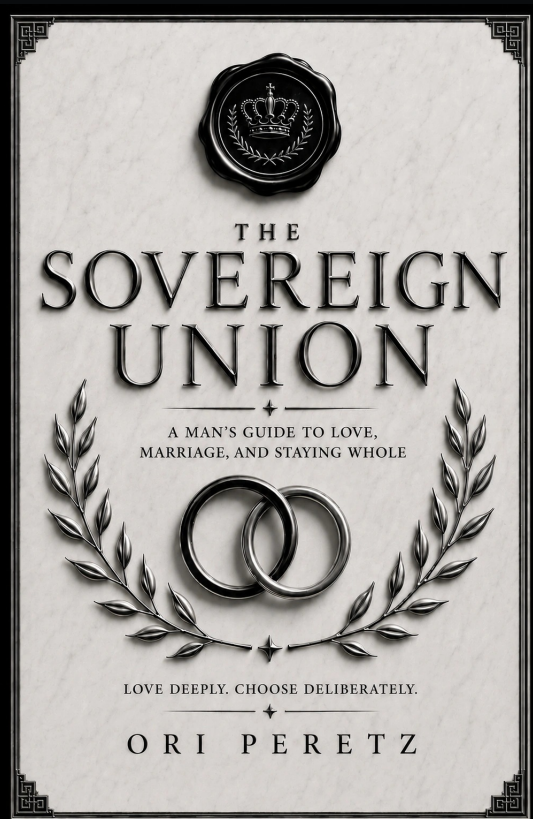

A work of ideas examining love, covenant, state legal status and deliberate legal structure as related but distinct choices.

The book asks what commitment should require, what law merely makes possible and how adults can structure love without confusing emotional covenant with a single inherited legal arrangement.

CONVERSATION ROUTES

- Translation conversations
- Audio and spoken-word enquiries
- Interview and excerpt requests
- Screen or documentary interest considered case by case

Availability and scope are confirmed directly for each territory, format and use.

EPIC FANTASY

Aetherion

The world is held together by more than kingdoms.

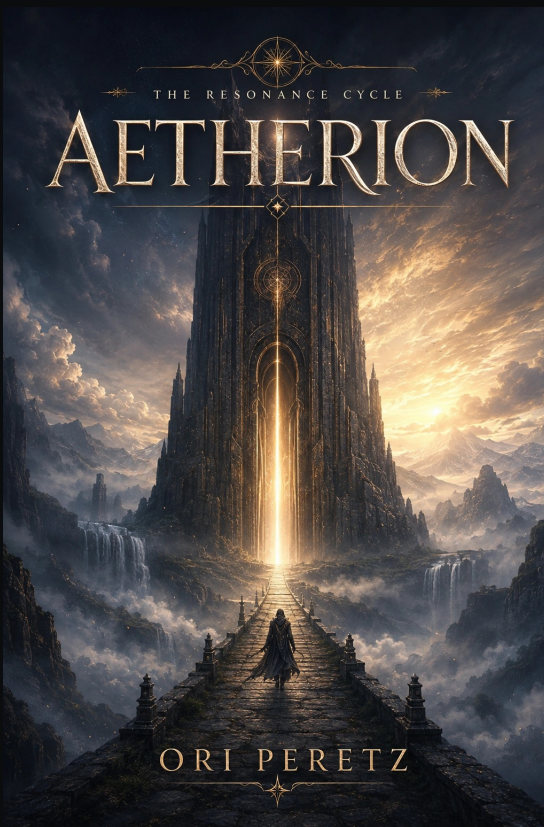

STATUS

Book I in development

POSITIONING

A mythic fantasy cycle built around Resonance, six Gates and civilizations whose inherited explanations of the world do not agree.

Book I opens the world. Book II divides it. Book III brings the buried age back into the present. The series is designed for escalating discovery rather than front-loaded lore.

CONVERSATION ROUTES

- Translation conversations
- Audio and performance enquiries
- Adaptation interest
- Illustrated and special-edition conversations

Availability and scope are confirmed directly for each territory, format and use.

ESPIONAGE

The Black Laurel

Some inherit money. Some inherit names. Jonah Mercer inherits unfinished business.

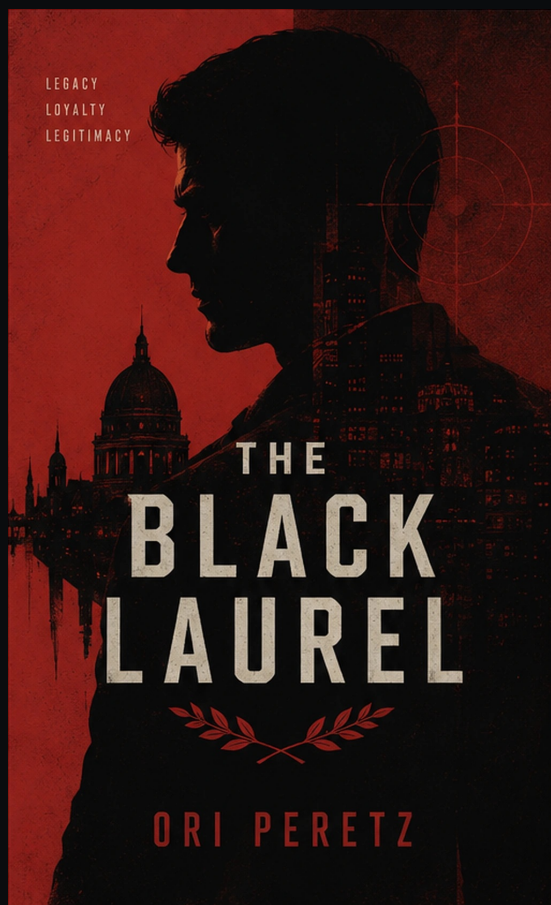

STATUS

Series in development

POSITIONING

A prestige espionage series about legacy, hidden institutions and the guarantees that outlive governments.

On his nineteenth birthday, Jonah Mercer becomes caught in an attempt to abduct a young Saudi prince. His response draws the attention of a hidden institution connected to his missing father.

CONVERSATION ROUTES

- Translation conversations
- Audio enquiries
- Film and television interest
- Selective excerpt and media requests

Availability and scope are confirmed directly for each territory, format and use.

Start with the work. Then start the conversation.

The House keeps trade, rights and press conversations direct. Commercial metadata is added to the professional record when it is finalized, not before.
